

ORIGINAL MUSIC. MANY GENRES. ONE HUB.

About

1st Eye Collective is a genre-bending music collective releasing original songs across country, gospel, EDM, R&B, and beyond. While the voices remain nameless, the sound speaks volumes...raw, emotional, and ready for the world.

Sync Licensing

Every track is fully cleared, tracked out, and available for sync licensing. Inquire about unreleased tracks for sale or any ideas you need to come to life in an epic way.

Experience

The collective's songs have been placed with EA Sports, Kalahari Resorts, WVON Radio (Chicago), Midnight Cinema Films, and more.
